- Definitely the most engaging, interactive and fun classes I've had during my 3 years at LSE.
- explains very well and in detail, very friendly and approachable, very well prepared
- Really engaging to the whole class, supportive and encourages you to speak up even if you don't know the answer, explains concepts very well, and I have left every class feeling a lot more confident about the content. I really enjoy Chloe's classes.

1.5) Please comment on aspects of this teacher's teaching you think could be improved.

- Perhaps time management could be improved as we occasionally spend too long on a given topic, but this is trivial feedback.
