Chloé,

Thanks again for such a great summer semester! I really appreciate all of the hard work you put it preparing material, teaching us, and grading our work. I was telling people I met at LSE that you are the best teaching assistant I've had since starting college- and that is 100% true. I've never taken a class where I've learned so much in small groups, and that shows how great of a teacher you are. I wish you the best in your PHD study!

Thanks,
